Dear Parent/Guardian,

Re: Year 10 Options Choices (Current Year 9)

We would like to thank our parents / guardians for all their support in discussing the importance of Key Stage 4 and how your child's choices can give them access to the best pathways Post 16.

If needed, all the options information is still available via our dedicated webpage:

[Year 10 Options](#)

Located here, students can find help, guidance and support for the subjects and courses available to them in the Options booklet. This resource will also help them to make an informed choice regarding the optional subjects they may wish to study.

Students can now select their option choices via the link below, the window to complete this process will close on Friday 27th February 2026.

Understandably, there may still be some questions you or your child has about their options choices. If this is the case, please do not hesitate to email:
