Dear Parent/Guardian,

Re: Year 10 Options Information Evening (Current Year 9) – Borough Road

We would like to invite you to visit the Academy next **Wednesday 14th January 2026** to attend the Year 10 Options Information Evening, being held in the Arena at Borough Road.

For convenience we will be holding a choice of two talks on the evening, talk one at 5.30pm or talk two at 6.15pm. (please note: you only need to attend one of the talks, **not both**)

The evening is designed to help guide and support your child, so they have all the initial information needed to enable them to tailor their education around what they enjoy. In order to be successful in their KS4 studies it is vital that your young person makes the right option choices going into Year 10, taking into account: strengths, interests and aspirations.

It is hoped that you can discuss the importance of Key Stage 4 and how your child's choices can give them access to the best pathways Post 16 and empower them to achieve the qualifications needed to access these first-rate fantastic opportunities available to them.

In addition to this, students will also receive help, guidance and support through the subjects and courses available to them, this will hopefully help them to make an informed choice regarding the optional subjects they may wish to study.

After the information evening has taken place, there will be further information available in due course.

As always, if we can support in any way, please do not hesitate to contact us via email:

Borough Road Students: brc-progress@paigntonacademy.tsat.uk

Yours faithfully

Mr T. Willcocks
Assistant Principal
