## Welcome

Well done to our Year 9 students, who completed their examinations this week with maturity and focus. They demonstrated excellent preparation and a positive attitude to learning throughout the exam period. Staff were particularly impressed by the calm, responsible manner in which students conducted themselves. Congratulations to Year 9 on a very successful week, you should be extremely proud.

We were delighted to welcome our parents/guardians into our Art & Design Department before the Christmas break. The Year 11 showcase provided a valuable opportunity for families to view and celebrate the impressive work students have been producing for their BTEC course. It was a highly successful event and a wonderful example of the strong partnership between home and school.

It has been another busy week for team sports, and I am incredibly impressed by the level of commitment, teamwork, and sportsmanship shown by our students. Their excellent team spirit has been evident in both training and competition, reflecting the pride they take in representing the school.

Thank you, as always, for your ongoing support. It is a pleasure to recognise and celebrate the many successes across our school community.

Mr Williams

## Year 10 Students Inspired by Bank of England Visit

We were delighted to welcome Clair Mills, Executive Director for Banking & Payment Operations at the Bank of England, who shared fascinating insights into the Bank's vital role in the UK economy, the wide range of career opportunities available, and its cutting-edge work in AI and cyber security.

Students were captivated by the stories behind the Bank's history — including the surprising fact that real cannonballs from historic riots are still embedded in its walls. They also got to see £3,000 worth of shredded £50 notes up close, which certainly made an impression.

A huge thank you to Clair for giving our students such a memorable and motivating experience.

# Year 11 Art & Design Showcase

## Afternoon

The Art & Design Department — led by Miss Julian, Mrs Burnham, and Miss Clelland — recently hosted a special afternoon event inviting parents and carers of our Year 11 Art & Design students into the Academy.

This showcase offered a wonderful opportunity for families to view and celebrate the impressive work students have been creating for Component 1 of the BTEC course.

Alongside current projects, visitors were able to explore exemplar work from previous cohorts, highlighting the high standards and creative achievements within the department.

The event proved to be a tremendous success, filled with valuable conversations, encouragement, and appreciation for the hard work and dedication of our Art & Design students. Their creativity, commitment, and passion were evident and warmly recognised by all who attended.

We extend our thanks to everyone who joined us and supported this inspiring afternoon.
