Ref: Bikeability Level 2

At: Borough Road/Waterleat Road

Dear Parent/Guardian,

We are delighted to offer Bikeability again this year to our Year 7 cohort. The course will be offered to all students with the training starting this term at Borough Road before moving over to Waterleat Road. Active Devon's Cycling Instructors will facilitate this training. Please read all the information in this letter and register them using the link below.

The Level 2 course is run in a 3-hour session on one day and the training will take place on quiet roads and shows riders how to make safe journeys on their bikes.

We want to ensure every student has this opportunity therefore **if your child has not got a bike**, please make this known as we will supply this. Due to the course being Level 2 your child will need to be able to cycle without stabilisers or the equivalent.

If your child doesn't have a bike, but you would like to explore purchasing one, Torbay Furniture Project CIC, a non-profit making organisation, sell refurbished bikes at great prices. They are at 56 Winner Street, Paignton TQ3 3BQ. You can contact them via their **Facebook Page**

If your child's bike is broken in any way, Cycle Torbay CIC can help with this, free of charge, either at the Cycle Hub in Paignton, or at their pop-up sessions around the Bay. For a complete list of sessions check out their website. https://www.cycletorbay.co.uk/

There are a limited number of places available, and they are allocated on a 'first come first served' basis, so please book early to avoid disappointment as this is always popular. If all places have been taken, please add your child's name to the waiting list

This is the link to reserve your child's place.

Level 2 Registration Link

The school will let you and your child know which dates they need to bring their bike and helmet to school.

We look forward to teaching your child.

Best wishes

Active Devon
