Our Ref: Transition Letter 1

Dear Parent/Guardian,

I want to extend to you and your family a very warm welcome to Paignton Academy and we are delighted that you have chosen us as your child's secondary school. We are really looking forward to welcoming your child to our Academy.

We are aware that the transition from primary to secondary is exciting but can also be daunting for our new students, but please be rest assured, our aim is to ensure the move to secondary school is both smooth and informative, leading to a successful education at Paignton Academy.

It is an exciting time to be joining Paignton Academy. Once again we have a fantastic cohort of students joining us alongside your child. In September 2023 we joined the Thinking Schools Academy Trust (TSAT) which is a trust of 26 schools across Devon and the South, as a result there are many positive improvements for our students and exciting developments ahead.

Please find overleaf further details on the transition process. Also enclosed is a flyer for the transition week and important key dates for your diary.

## Primary School Visits

In late May and early June, we plan to meet with primary school staff to discuss students and to visit your child in their primary school and hand over a welcome information pack.

## Friendship form

In May we will be emailing a microsoft form to parents asking them to name a couple of friends their child may wish to be placed with. We will do our best to ensure new students know someone in their form but we cannot guarantee this in every single circumstance. Please note, in Year 7 they are taught in tutor groups for some lessons but for many lessons such as English, Maths, PE and PHSE the students are completely mixed across all tutor groups.

## Student Tutor Group, House and Site Allocation emailed to parents – Friday 12<sup>th</sup> June

After we have collected information from parents and primary schools we will allocate Tutor Groups, Houses and sites to our incoming Year 7 students, ensuring an even split of gender, abilities and primary schools. We start this process by allocating children with older siblings to the same site as their sibling and then look at keeping friendship groups together where we can and by the time we do this we have thousands of pieces of data to consider. We are proud to be one school based across two sites. The curriculum, expectations and opportunities are the same and students can travel across sites after school to access facilities and opportunities.

## Parents Induction Evening:

**Borough Road Site – Tuesday 30<sup>th</sup> June / Waterleat Road Site – Wednesday 1<sup>st</sup> July**

We will welcome you into the Academy for parent's information evening and uniform sizing on **Tuesday 30<sup>th</sup> June for students attending the Borough Road Site** and **Wednesday 1<sup>st</sup> July for students attending the Waterleat Road Site**. This will be an opportunity for you to meet key staff including, tutors, house teams and the senior leadership team. The evening is aimed at parents but children are welcome to attend as well.

## Deadline date for ordering your child's uniform, so it arrives in time for September is Friday 7<sup>th</sup> August 2026

## Induction Day

**Thursday 2<sup>nd</sup> July (8:20am – 2:45pm) – Same day on both sites**

We will hold one induction day for all Year 6 students, this will be held on **Thursday 2<sup>nd</sup> July** on both sites. Students will not attend their primary school but are to arrive straight at the Academy on the site they have been allocated. Students will experience a full day of typical lessons, being inducted into the Academy, making clear our expectations whilst having a chance to find their way around in advance of September and hopefully forming some new friendships. We are hopeful that after the induction day, students leave feeling enthused and confident about starting in September.

## Transition week (Summer School) Monday 10<sup>th</sup> August – Friday 14<sup>th</sup> August (8:30am – 3pm)

For the fourth year in a row will be holding another highly successful one-week optional Transition week in the summer holidays, led by a specialist external company the Big Step, to support students to make new friends, develop their confidence and grow their self-esteem. Last year 160 students took part in our transition week and it was hugely successful. This Year we plan to host the transition week on both sites, so the children will spend all week on the site they have been allocated. The Big Step are running transition programmes in many schools across Devon and the cost is £130 for the week, this cost can be paid via instalments. The link to register your interest with BigStep is: <https://thebigstep.org/>

## Wednesday 2<sup>nd</sup> September 2026

The first day of the Autumn Term for the Year 7 students will be **Wednesday 2<sup>nd</sup> September 2026**. Please note that the first day of term will be for Year 7 only to support a smooth and successful start to the term.
