

How to use your Knowledge Organiser for Home Learning

- Knowledge Organisers contain critical knowledge that you must know
- It will help you recap, revisit and revise what you learn in lessons so that you remember it in the long term
- You will use your Knowledge Organiser for most of your homework, but you can also do extra self-study to develop your long term memory
- You **MUST** have your book with you every day and in every lesson as it will be used alongside your learning

For homework:

- You will need to follow the homework timetable so you do the correct subjects on the correct day.
- You will be asked to look at a specific section of your Knowledge Organiser
- Your homework will be **cover – write – check**

This should take about 15 – 20 mins per subject.

- You must write the subject and date in your homework book
- You need to underline the subject and title as per lessons
- The knowledge learnt will be assessed throughout each cycle in lesson time
- Your form tutors will check that the work has been completed
- There will be rewards for excellent work and sanctions for work not completed

HOME LEARNING PLAN:

- Your homework will be set **every Monday** on Class Charts
- Your homework book will be checked by your tutor **every Monday** after each week's homework to check you have evidence of your home learning
- Evidence can be highlighted notes, mind-maps, diagrams, flashcards
- The section of homework you need to learn from your Knowledge Organiser will be on Class Charts as normal
- Your tutor will give rewards for excellent home learning evidence, but there will also be a consequence for not completing the work or not having your book
- There will be an after school detention set for the **Tuesday evening** to complete your work if it has not been done
- You will be tested on what you have learnt by your subject teachers in your lessons
- Completing your home learning is **YOUR** responsibility
