

# HOME LEARNING AFTER EASTER

---

Paignton Academy

# Info for Parents

Now that teachers and pupils have settled into home learning routines this has allowed us to evaluate our on-going provision. Clear expectation around amount of work will now reflect a reasonable and achievable home school learning package.

- Work will be set on Classcharts which may refer to other online platforms or their Knowledge Organisers.
- Setting routines will support your child and I would recommend the attached timetables for each Year group.
- Any issues or concerns please use:

[progressbrc@paigntonacademy.org](mailto:progressbrc@paigntonacademy.org) for Borough Road students

[progresswrc@paigntonacademy.org](mailto:progresswrc@paigntonacademy.org) for Waterleat Road students
