Dear Parents and Carers,

South Devon College is pleased to be hosting a bespoke Sixth Form Information Event for students at Paignton Community Sports Academy Thursday 11th March at 6.00pm. This event will be held online and will offer the opportunity to hear from College staff about the varied A Level and Applied subjects available as well as travel, finance, careers and student life.

South Devon College Sixth Form provides a superb route into top Universities through a wide range of A Level subjects, the opportunity to study the new T Levels as well as vocational Level 3 subjects. Our Sixth Form offers a wide range of opportunities for school leavers, giving a rich experience of both vocational and academic study and nationally recognised qualifications that will make CV or university application stand out.

Students thrive in our Sixth Form, and they tell us that they enjoy the innovative College environment, and being treated like an adult by friendly tutors, whilst also having excellent support to hand, whether that's support with studying or personal circumstances. The student experience is tailored to you and focuses on giving you a wide range of opportunities during and after your studies.

Our Virtual Sixth Form Information Event introduces new and exciting opportunities available at South Devon College for your child. **Register here today** and discover their next step.

Yours Sincerely

Matt Harbour
