Paignton Academy will provide arrangements for education of all pupils in line with the government guidance. Currently this recommends in school teaching and learning with appropriate measures for prevention of spread of the virus. Should guidance change we will implement any new recommendations in line with time scales and resources as advised.

Parents of SEND pupils may continue to require extra support at this time and the SENCO and Head of Learning support can be contacted via the academy telephone or email contacts listed on the academy website.

External agencies will become involved if necessary following the usual graduated response process detailed above.
